Re: Submission by Tilt Renewables in response to the National Energy Guarantee Draft Detailed Design Consultation Paper

Dear Energy Security Board members,

Tilt Renewables thanks the Energy Security Board for the opportunity to comment on the National Energy Guarantee Draft Detailed Design Consultation Paper.

Tilt Renewables is a leading Australasian renewable energy developer and operator, and we are pleased to provide herewith our submission in response to the Consultation Paper.

If you wish to discuss any aspect of our submission further, please contact the undersigned. Tilt Renewables is committed to supporting a suitable policy framework for the Australian energy sector, and would be happy to continue to support the Energy Security Board in the development of energy policy.

Regards,
